LICENSURE AND CERTIFICATION

- Board Certified in Vascular Medicine January 2007
- Board Certified in Vascular Surgery, May 2004
Recertified in November 2011
- Board Certified in Wound Care, May 2004
- Board Certified in General Surgery, June 1999
Recertified in December 2006
- American Registry of Diagnostic Medical Sonographers
Registered Technologist, May 2003
Physician Vascular Interpreter, May 2006
- Medical Board State of California, September 1994
- National Board of Medical Examiners, July 1994
- UPIN # G21297
- Advanced Cardiac Life Support
- Advanced Trauma Life Support
- Certified in all Medtronic, Cook, Endologics, and Gore Aortic Endografts

EXPERT MEDICAL REVIEWER

- The Medical Board of California
- Malpractice Settlement

PRACTICAL EXPERIENCE

2009-
Present

Founding Member and Medical Director
Surgical Associates of San Diego
San Diego Vascular Center
Escondido, CA 92025

san diego
vascular center

- 2003-
Present Attending Surgeon
Palomar Medical Center
Escondido, CA 92025
Vascular Surgery and
Endovascular Therapy
Surgical Oncology
- 2003-
Present Faculty
Pomerado Hospital
Wound Care Clinic
Poway, CA 92064
- 2001-2003 Attending Surgeon
Michael E. DeBakey Department of Surgery
Baylor College of Medicine
Ben Taub-Harris County General Hospital
Houston, TX 77030
- 1998-2001 Attending Surgeon
Department of Surgery
Kaiser Permanente Medical Center
Woodland Hills, CA 91364
- 1998-2001 Volunteer Faculty
Department of Surgery
Los Angeles County-University of Southern California
Medical Center
Los Angeles, California
- 1994-1998 Staff Physician
Emergency Room—Surgical Walk-in
Kaiser Permanente Medical Center
Los Angeles, CA 90027

TRIALS

- TOLEDO – Prospective randomized multicenter FDA and NIH sponsored trial comparing thrombolytic therapy versus anticoagulation for deep venous thrombosis and/or pulmonary embolism
- PIVOTAL -- Prospective randomized multicenter trial evaluating benefit of endovascular repair for small abdominal aortic aneurysms—Principal Investigator. Sponsored by Medtronic.
- Prospective randomized trial evaluating endovascular treatments for infrainguinal arterial occlusive disease
- Prospective evaluation of allogenic tissue for venous ulcers PROTOCOL 100-VLU-02-CLN. Sponsored by ORTEC International Inc.
- Phase 3, multicenter, multi-national, randomized, double-blind, placebo-controlled study to evaluate the efficacy and safety of alfimeprase in subjects with acute peripheral arterial occlusion (NAPA-3)
- Comparison of skin perfusion pressure (SPP) and transcutaneous oxygen pressure (tcPO₂) as predictors of microcirculation in diabetic patients
- Regional anesthesia in infrainguinal revascularization
- SAPPHIRE –stenting and angioplasty with protection in patients at high risk for endarterectomy world wide—Principal Investigator. Sponsored by Cordis
- Precision Spinal Cord Stimulation for Painful Diabetic Peripheral Neuropathy. Sponsored by Advances Bionics Corporation (Boston Scientific). Protocol #SCS0206
- Safety and Efficacy Trial Evaluating the Use of Apixaban for the Extended Treatment of Symptomatic Deep Vein Thrombosis and Pulmonary Embolism. Protocol B0661002-CV185-057. Sponsored by Pfizer

COMMITTEES

- Chairman, Endovascular Therapy, Vascular and General Surgery Peer Review (2006-March 2008)
- Chairman, Division of General and Vascular Surgery (2006-March, 2008)
- Infectious Disease (2006-Present)

EDUCATION

- 1989-1993 Medical Doctor, University of Southern California
- 1984-1989 Bachelor of Science, Biology, University of California, Los Angeles

POSTGRADUATE TRAINING

- 2001-2003 Fellowship in Vascular Surgery and
Endovascular Therapy
Michael E. DeBakey Department of Surgery
Baylor College of Medicine
Methodist Hospital
Houston, TX 77030
- 1993-1998 Internship and Residency in General Surgery
Kaiser Permanente Medical Center
Los Angeles, CA 90027
Two months Liver Transplant Surgery at Cedars- Sinai
Medical Center
Six months Trauma Surgery at Los Angeles County
Hospital- University of Southern California
